

Anugya Singh

Manager, ICWMR, TERI SAS

Anugya Singh holds a postgraduate degree in Resource Management and Design Applications with a specialization in Environment Management and Sustainable Development from Lady Irwin College, University of Delhi. With over 2 years of experience in the field of environmental management, she has previously worked with esteemed organizations such as the Indian Institute of Public Administration (IIPA), New Delhi and The Energy and Resources Institute (TERI).

Throughout her time in these roles, Anugya was responsible for overseeing stakeholder communication, documentation of reports along with enhancing the capacities of various stakeholders, spanning school students, college students, officials, spiritual leaders and the like. She has notably worked in the government-led project *Namami Gange*, which aims to achieve dual objectives of effectively abating pollution and conserving & rejuvenating the National River Ganga.

Ms. Singh has authored 4 publications, 2 conference proceedings and 1 book chapter, with 4 articles currently under review in reputable journals. Her research interests encompass various aspects of climate change, solid waste and water management. Additionally, she has successfully cleared the UGC-NET examination.
