

International Recycling Incubation Summit

India Habitat Centre | 16-17 January, 2026

CONFERENCE

GUIDELINES FOR PAPER

- The paper should be written in UK English.
- The paper should be submitted in the MS Word format (.doc or .docx).
- Cover page of the paper should have title; name, designation, affiliation and contact details of all authors; abstract and keywords; in this order
- Paper titles should be short but descriptive. Informative titles that clearly indicate key points are encouraged. Abbreviations should be avoided in the title.
- The paper is a compendious summary of a research substance including its background, purpose, methodology, results, and conclusion.
- The paper should be between 3000 and 8000 words, excluding Abstract, Keywords, References, Tables, Figures, and the cover page with author details.
- Acronyms should be written in full the first time, mentioned in the text, followed by the abbreviation in parentheses.
- SI Units (International System of Units) should be used.
- Cite references in the text by the last name (or family name) of the author and year in parentheses. For example,
 - LCA provides a deeper view of the carbon footprint of any product (Kumar 2020).
 - The study conducted by Singh et al. (2020) is in confirmation of the present study.
 - Waste management is a global problem (Singh and Sharma 2022).
- Provide the bibliography of all the cited references in the “Harvard” style.
- Use the option of “Insert Equation” or “Math Type” for mathematical equations.
- All figures and tables should be inserted into the main text close to their first citation and must be numbered following their order of appearance (e.g., Figure 1, Table 1, etc.).
- Each figure and table should have a concise caption describing accurately what the figure and table depict.

FONT

- Title: Times New Roman, 12 points, Upper case, Centred text in bold
- Body: Times New Roman, 11 points; Line spacing: 1, one column of text

AFFILIATIONS

- All authors should list their current affiliation and the affiliation where most research was carried out for the preparation of their manuscript.
- Affiliations should be indicated with superscript Arabic numbers appearing at the end of surname/family name.

Review committee’s decision regarding acceptance of your paper will be final.
